

CURRICULLUM VITAE

Name: Prof. Dr. Jana Hajšlová

Birth Data: 8.6.1952, Prague

Education:

- 1975: Graduated, with Dipl. Ing. in Chemistry from the Prague Institute of Chemical Technology (ICT), Faculty of Food and Biochemical Technology
- 1979: Ph.D. in Chemical sciences - food chemistry and technology, ICT Prague, Faculty of Food and Biochemical Technology
- 1986 - 1987 - Visiting scientists, Free University of Amsterdam, Depart. General Analytical Chemistry, the Netherlands (post-doc study stay)
- 1991, 1992 - Study stay, National Food Administration, Uppsala, Sweden
- 1994 - Study stay, Central Science Laboratory, MAFF, Norwich, UK
- 1995 - Visiting scientist, Food and Drug Administration, New York, USA
- 1995 - Visiting scientist, Institute of Food Research, Norwich, UK
- 1996 - Full Professor, ICT, Prague, food chemistry and analysis

Current position:

- Vice-head of Department of Food chemistry and Analysis, ICT Prague;
- Technical head of accredited Laboratory (ISO 17025) Contaminants and Toxicants

Research activities:

- Chemical food safety
 - (i) Environmental contaminants and toxicants in food chains - occurrence, metabolism, bioaccumulation, elimination, degradation; biomarkers of exposure;
 - (ii) The fate of organic contaminants /toxicants during household/industrial processing of contaminated food crops
 - (iii) Development and validation of modern analytical methods in trace analysis of components related to food quality and safety

72 original papers in reviewed international journals; participation in 15 international projects (EU - 4th, 5th framework programme SMT, COST and NATO, Nordic projects)

Professional affiliations

- Member of the Advisory Group "Food Quality and Safety", EU 6th Framework program (appointed 2002)
- Member of International Editorial Board - Journal of Food Additives and Contaminants
- WHO National contact point for Global Environmental Monitoring Programme (GEMS/Food EURO)
- Vice-head of Phytosanitary and Environmental scientific board
- JMPR external adviser (1993 - 1999), JMPR member (2000)
- Member of scientific board, Faculty of Food and Biochemical technology, ICT and Chemical Faculty, VUT, Brno
- Head of the Technical committee for accreditation of chemical laboratories
- Member of EURACHEM Czech Republic
